**WORLD'S MOST EXOTIC PLACES** is a remarkable and unique journey around the planet. This 7-part DVD series is perfect for arm-chair travelers, those planning to travel or for all parents that want to show their children many of the world's greatest natural and man-made treasures. This adventure series is a valuable and entertaining tool. Brought together in this spectacular 7-part DVD set are many of our planet's great cities and countries, beautiful and exotic scenes of nature and wildlife and powerful and often emotional scenes of many of the world's fascinating peoples and cultures. These programs were produced by multi-award winning director, Marlin Darrah, who has photographed more than 130 countries worldwide.
