INTERNATIONAL FILM & VIDEO is an award-winning HD video and film production company. Our specialty is the production of international documentary and travel adventure programs. Over the past 30 years, IFV has established itself as one of this country's most experienced international producers. Our diverse stock footage library - all of which was shot by IFV production teams - now contains more than 2000 hours of superb international footage from 130 countries around the world. In addition to our production expertise, IFV can handle all the details of fiction or non-fiction production - from scripting through final edit: talent selection, location searches, cultural consultants, foreign-language translations, and original music.
